'Training for Service' Series Being Conducted on Wednesdays

The oldest divine institution is the family; and as such, has a manifold responsibility in its relationship to the church and to society.

This thought keyed the announcement of a new "Training for Service" series of lectures to be conducted each Wednesday evening at the Redondo Beach Church of Christ, 6122 Pacific Coast Hwy., by its newly appointed minister, Dr. Warren S. Jones.

Juvenile delinquency becomes a major problem unless parents are interested in both of these institutions.

The public is invited to attend each of these classes on Wednesday evening at 7:30.

AS A TEXT for his sermon "The Tragedy of Doubt" at the 10:50 a.m. worship service Sunday, Dr. Jones has chosen the stirring words of Matthew 14:30, "But when he saw the wind boisterous, he was afraid; and beginning to sink, he cried, saying, Lord save me!" For the evening service at 5 p.m., Dr. Jones will speak on "Jesus Visits With a Sinner," using Luke 19:1-10 as a text.

THIS SERIES, which will continue for 12 weeks, each Wednesday evening at 7:30 p.m., is an attempt to correlate

THE VERY best training program in the church can do little without the full cooperation of parents in the home.

Instructors and administrators of El Camino College will participate in the fall meeting of the Southern California Junior College Assn. Saturday at Santa Monica City College.

Theme for the association's meeting will be "A Citizen Looks at Education" and discussions will originate in 30 different sections of junior college education areas.

Dr. Seymour Travers and Mrs. Iva M. Perkins will be chairmen of their groups in foreign language and library science, respectively. Topic for foreign language will be "Politics and the Foreign Language Teacher." Library Science speakers will answer the question "What is the Responsibility of the Junior College Library?"

DR. STUART E. Marsee, president of El Camino College, will serve as moderator

for the discussion in library science.

An El Camino College commerce instructor, Dr. Jack Martin holds the position of executive secretary for the junior college association and has been active in the association's activities for many years.

Toastmasters Plan Special Talk Series

So much interest has been created by an article about Toastmasters Clubs in the October issue of Readers Digest Magazine that a special series of meetings has been scheduled by the Rolling Hills Toastmasters Club.

Eight meetings, commencing Oct. 19, 1960, will be devoted to speech training. A different guest speaker each week will demonstrate how to build and deliver a speech.

Men interested in improvement of their ability to speak may attend this series, even if they do not care to join the Toastmasters Club.
